GENERAL SAFETY GUIDELINES FOR STUDENTS FOR THE RESUMPTION OF OFFLINE CLASSES

All students are advised to strictly adhere to the following COVID-19 safety guidelines during their on-campus stay with effect from 16.11.2021:

- Wash your hands upon arrival at college.
- Carry print copy of your vaccination certificate and produce whenever asked for.
- RT-PCR reports, wherever applicable, should not be more than 72 hours old.
- Do not come to the college if you are experiencing any COVID-19 symptoms.
- Avoid touching your face or mask as much as possible.
- Maximum *three* students should be seated on each class bench.
- Keep your own sanitizer bottles handy all the time.
- Keep your masks put on at all times during your stay in the campus.
- Carry your own water bottles and lunch packs.
- Maintain social distancing at all places within the campus
- Avoid sharing of food and other personal belongings.
- Do not form group gatherings.
- Practice zero contact greeting gestures.
- Do not spread misinformation and panic.
